

Wages and Salaries

The rewards for your job are called remuneration. Match the words and definitions to explain the key words in this subject

Gross pay

Weekly pay, often in cash.

Salary

Monthly pay, usually directly into a bank account.

Net pay

Payment by the hour, no matter what work is done.

Performance related pay

Payment by how much work is done.

Fringe benefits

A one-off cash payment to reward good work.

Piece rates

Extra payment scaled to performance (usually sales).

Commission

Pay scale decided by a formal appraisal system.

Bonus

Any additional earnings on top of a basic wage.

Time rates

Total pay before tax, National Insurance etc.

Wages

Pay after tax, NI, pension, union subs etc.
